BAYOU COLLECTION OF ANGLED LOUNGES, STRAIGHT LOUNGES, OTTOMANS, COFFEE TABLE, LAPTOP TABLE, PLANTER TABLE & FREESTANDING SCREENS

Bayou, created as a casual 'work-soft' meeting system with highly configurable elements designed by Frag Woodall of MR.FRÄG design studio. As its name suggests this collection of furniture pieces come together creating a relaxed and contemplative environment of seating, tables, ottomans and screens.

Evoking collaboration with a focus on comfortable communication. Bayou creates moments for working, gathering, and relaxation in graphic dynamic formats.

With variable lengths and gentle angles Bayou defines a space as an Archipelago of harmonious fluid forms. Effortless smooth lines and a texturally rich material palette describe this collection.

BAYOU: a slow
moving stream or
body of water.

FEATURES

System elements include both short and long segments and 120° angled modules. Metal features are powder coated with a warm textured tone.

A suggestion of privacy and seclusion is further defined by the freestanding soft diffused screening in Gabriel Nemo stretch fabric offered in two colours.

This modular system balances with harmonious

juxtaposition, coffee tables, side tables and planters as they work alongside casual sofas creating areas for waiting, resting and meeting.

Complementary loose scatter cushions are available in two dimensions: 600mm x 300mm & 450mm x 450mm. As well there is an optional detached armrest or laptop rest cushion 500mm x 350mm x 150mmH.

CARE & MAINTENANCE

FABRIC

- Upholstered products such as lounges should be protected from direct sunlight as this may lighten fabric colour
- Vacuum regularly on low suction
- Regularly rotate reversible cushions to allow even fading

LEATHER

- Upholstered products such as lounges should be protected from direct sunlight, direct heat and weather
- Regularly dust with a clean dry duster

POWDER COATED & CHROME STEEL

- Chair and table legs should be wiped down with a soft damp cloth
- Do not use abrasive cleaning products

LAMINATE

- Desks & tables should be cleaned with a soft, damp cloth
- Do not use abrasive cleaning products
- Wipe any liquid spills away quickly
