THE FLINT LOUNGE AND OTTOMAN BY TOM FEREDAY

Conceived through intricate origami maquettes Flint represents a design that is striking yet understated, built around the concept of a nesting landscape.

When together, the Flint range offers a seamless landscape of seating with smooth undulating forms. When broken the pieces reveal their striking faceted forms.

The Flint lounge and ottoman range reflects Tom Fereday's ongoing principle of honest design. Developed from the inside out, the entire range is constructed from sustainably sourced, Australian plywood frame, on top of which sculpted high resilience foam and water based glues finish the piece with a choice of commercially approved upholstery fabrics.

1000 Armless Lounge

ECO

All product manufactured from CFC free, GECA approved foams, water based adhesives and sustainably sourced FSC timbers.

Large Positive Ottoman

Conceived through intricate origami maquettes.

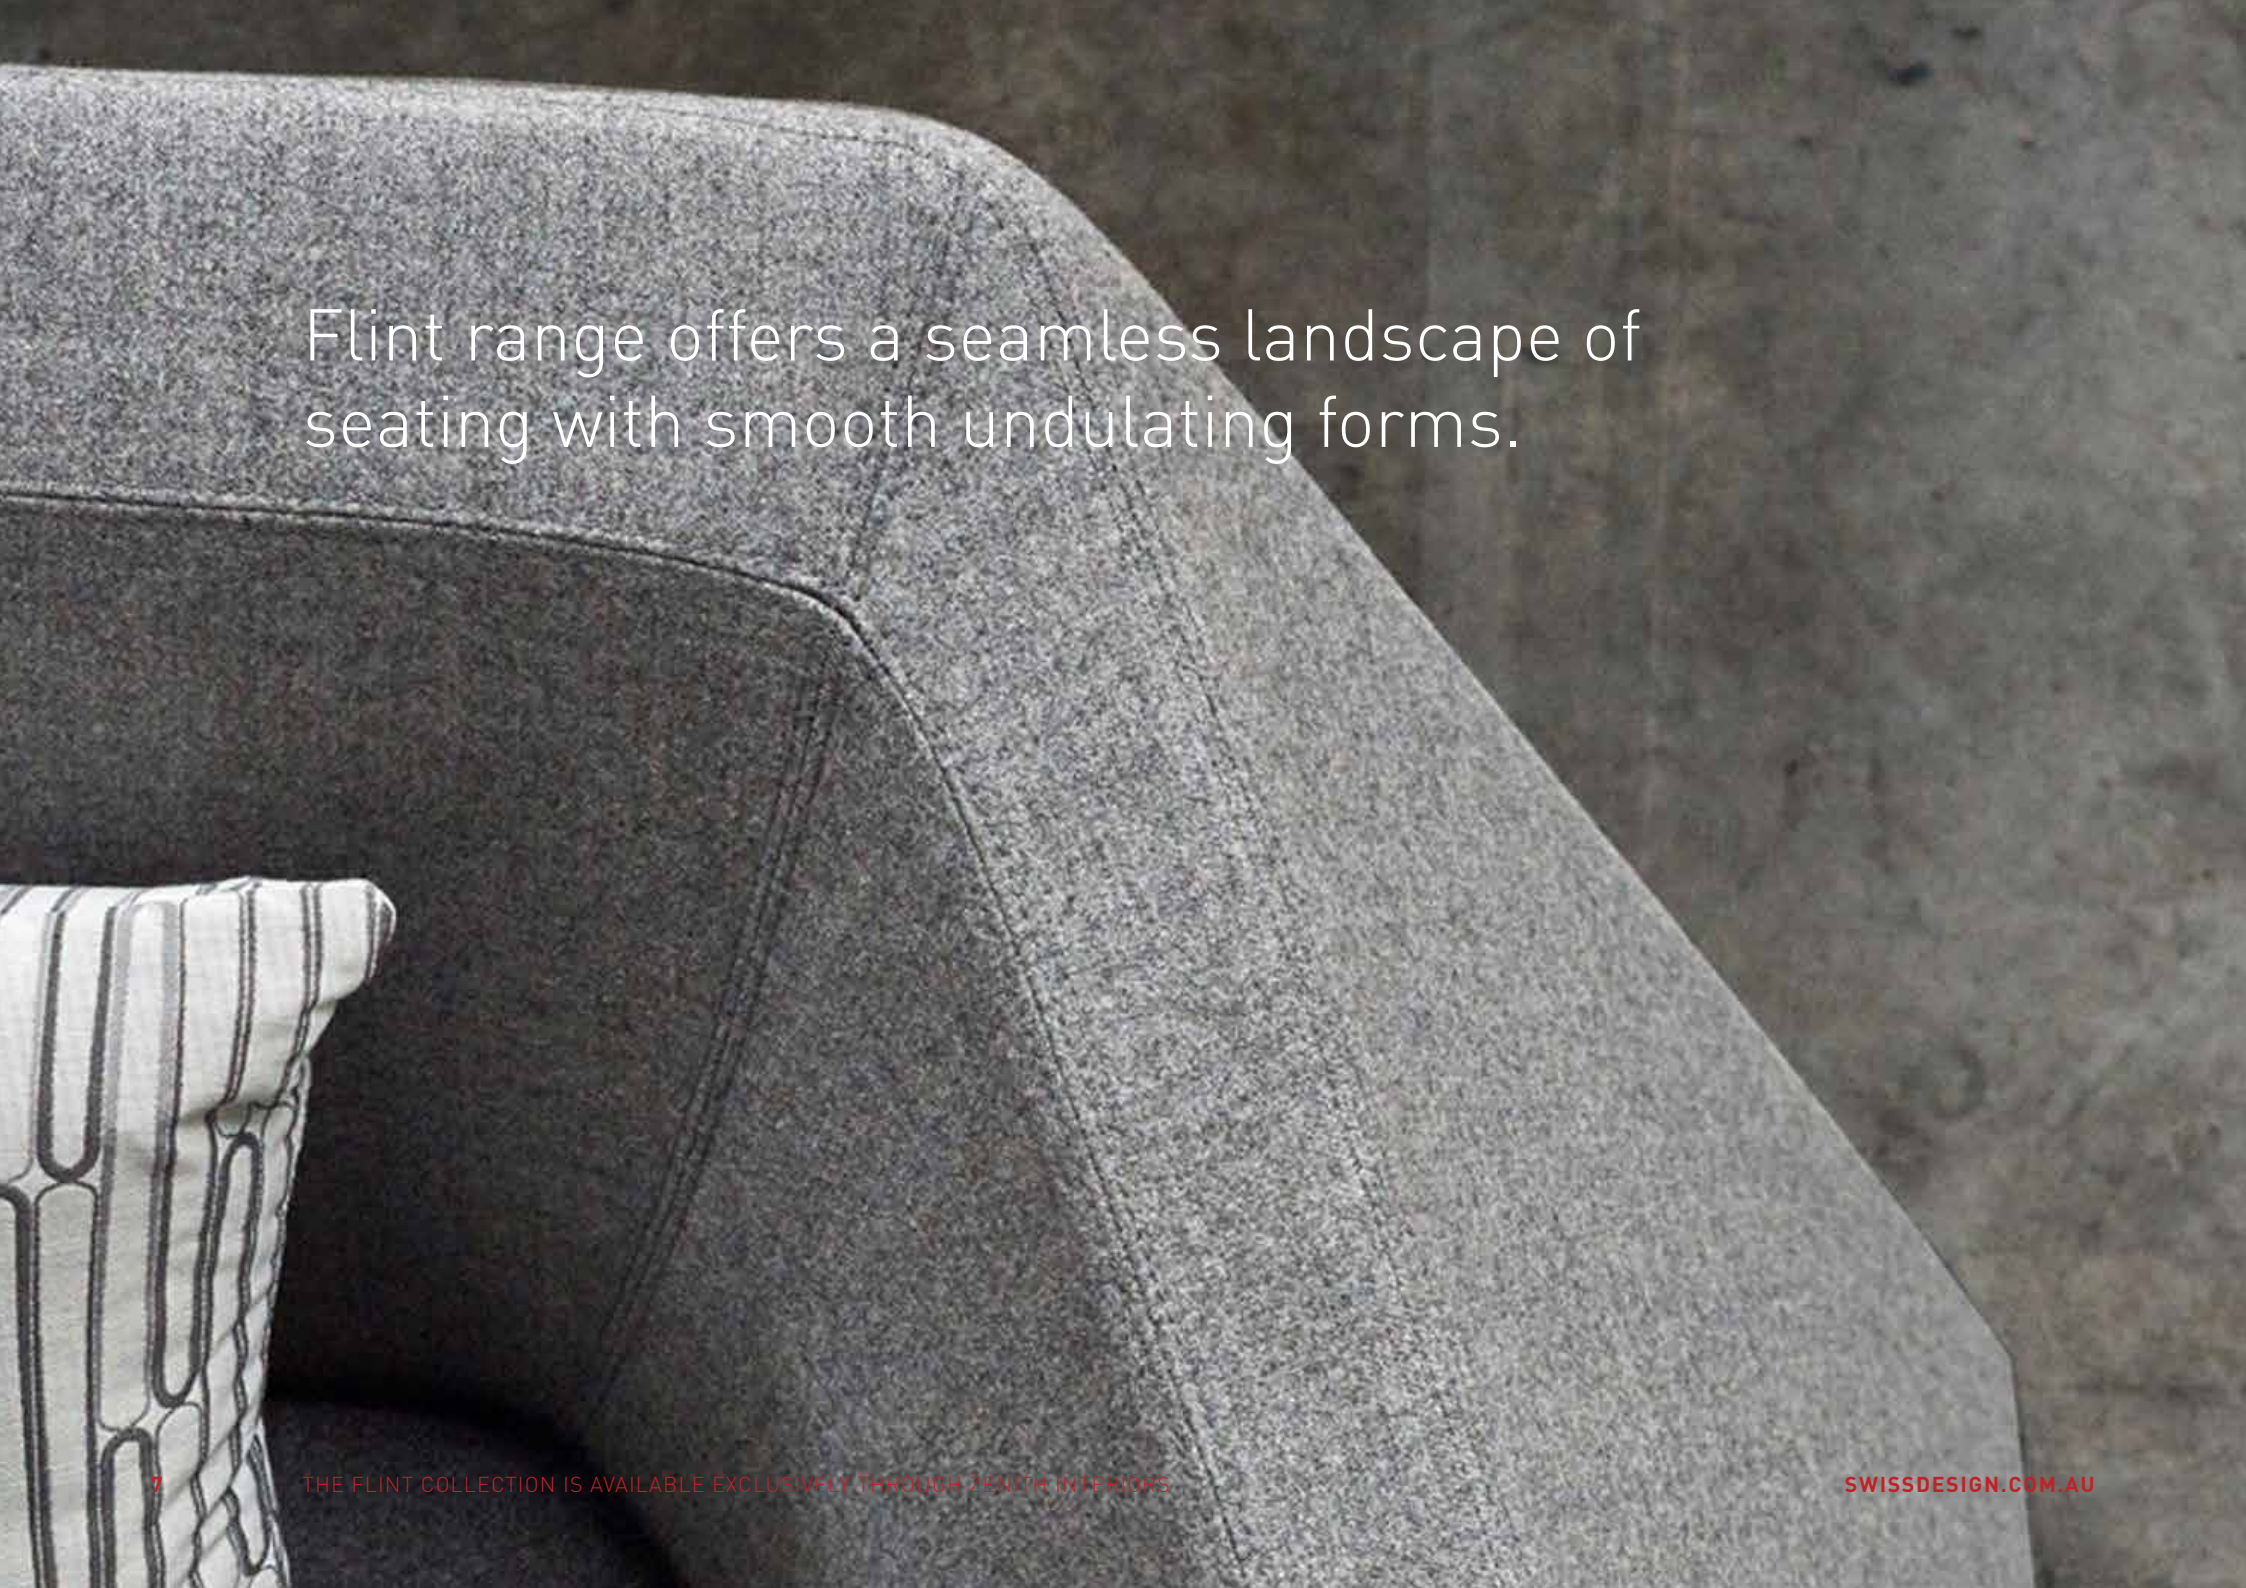

Flint represents a design that
is striking yet understated.

1000 Armless Lounge (2)

A photograph of a modular sofa system on a concrete floor. The sofa is composed of several pieces: a long white base, a grey L-shaped section, a large grey rectangular section, and three small black square ottomans. The text "Built around the concept of a nesting landscape." is overlaid in white. The floor is a light grey concrete with some stains and scratches.

Built around the concept of a nesting landscape.

Flint range offers a seamless landscape of seating with smooth undulating forms.

The Flint collection offers a striking visual impact to delight both small and large public spaces.

CARE & MAINTENANCE

FABRIC

- Upholstered products such as lounges should be protected from direct sunlight as this may lighten fabric colour
- Vacuum regularly on low suction
- Regularly rotate reversible cushions to allow even fading

LEATHER

- Upholstered products such as lounges should be protected from direct sunlight, direct heat and weather
- Regularly dust with a clean dry duster

POWDER COATED & CHROME STEEL

- Chair and table legs should be wiped down with a soft damp cloth
- Do not use abrasive cleaning products

LAMINATE

- Desks & tables should be cleaned with a soft, damp cloth
- Do not use abrasive cleaning products
- Wipe any liquid spills away quickly
