MAKER  
SINCE 1976

## **GATHER AROUND & GATHER AROUND CLOSER MODULAR LOUNGE; GATHER AROUND ME TOO**

The epitome of customisable functionality, the Gather Around design is based on four standard seat modules, straight, convex, concave, 90 degree corner and three standard back heights. Gather Around Closer has smaller compact modules for when space is premium. Gather Around Me Too is a two seat lounge with high sides and top canopy. Ideal for creating face to face acoustic hubs.

Configurations with high backs divide and separate open plan spaces creating acoustic hubs for meetings and presentations. Medium height backs provide good acoustics and allow people to gather around a rear mounted table and still engage with those seated inside. The low back option is all engaging and welcoming.

## **ENVIRONMENTALLY SUSTAINABLE**

Swiss Design pioneered many of the industry's sustainable practices. Water based glues, GECA approved foams and FSC timbers which are all standard in every piece manufactured in our factories

## **100% AUSTRALIAN DESIGNED AND MANUFACTURED**

We are passionate about the upholstery trade and making furniture pieces with consideration for customisation, time and the environment, to a level of quality few can replicate.

## FEATURES

- A rear mounted table which spans across two seat modules and can be mounted at three heights
- The table brackets have an integrated and convenient hook for your handbag or backpack
- The table also has an optional flush mounted power & data module
- There is also an option for underseat storage
- Upholstered armrest power module or front of seat power option available

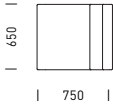

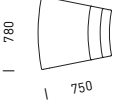

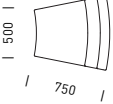

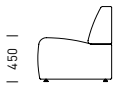

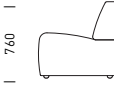

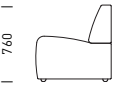

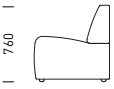

## FINISHES

- Fully upholstered in approved contract fabrics, vinyl and leather
- Table available in black 13 mm compact laminate with black core

## CARE & MAINTENANCE

### FABRIC

- Upholstered products such as lounges should be protected from direct sunlight as this may lighten fabric colour
- Vacuum regularly on low suction
- Regularly rotate reversible cushions to allow even fading

### LEATHER

- Upholstered products such as lounges should be protected from direct sunlight, direct heat and weather
- Regularly dust with a clean dry duster

### POWDER COATED & CHROME STEEL

- Chair and table legs should be wiped down with a soft damp cloth
- Do not use abrasive cleaning products

### LAMINATE

- Desks & tables should be cleaned with a soft, damp cloth
- Do not use abrasive cleaning products
- Wipe any liquid spills away quickly
